ABHISHEK MISHRA

Revenue Assurance and Security Specialist

E :+91 6200966700 @ abhishek06200@gmail.com 9 Dehradun, Uttarakhand

SUMMARY

I am a dedicated Revenue Assurance and Security Specialist with over a year of experience in logistics. I excel in managing overweight shipment verification, ensuring compliance and accuracy while also handling audit and risk assessments as a Security Specialist. My multitasking abilities and problem-solving skills contribute to optimized logistics performance and company integrity.

EXPERIENCE

Revenue Assurance Executive

Bigship Technologies Pvt Ltd

01/2024 - Present Dehradun, Uttarakhand

Logistics-based company focusing on revenue assurance operations and security

- Lead efforts to prevent revenue leakage by monitoring overweight shipments, and verifying documentation against regulatory and internal standards.
- Conduct invoice audits to identify discrepancies, unauthorized Shipments and potential fraud, ensuring financial accuracy and compliance.
- Co-ordinate with courier partners and sales tax officers for the proper documents of the consignments if required.
- Oversee overweight shipment image verification processes to validate load documentation and maintain transparency in logistics records.
- Perform routine and ad-hoc audits to detect and prevent illegal activities, enhancing internal control and data integrity.
- Collaborate with cross-functional teams and senior management to develop strategies that strengthen revenue assurance and security practices.
- Maintain comprehensive logs and reports to support investigations, policy adjustments, and long-term process improvements.
